QUEST - VENEER

How to order L's and U's:

You can build a multitude of L's and U's by simply specifying the components needed such as desks, bridges, returns and credenzas. We offer these components individually so specifiers can select the exact shape and size needed.

L's:

To build an L, select a single pedestal desk and a return. Right L's require a left pedestal desk with right pedestal return. Left L's require a right pedestal desk with a left pedestal return.

U's:

To build a U, select a single pedestal desk with a bridge and a single pedestal credenza. Right U's require a left pedestal desk with right pedestal credenza (bridge in between). Left U's require a right pedestal desk with a left pedestal credenza (bridge in between).
